## At a doctor

I have a terrible stomachache.

*Doctor:* — Good morning. Please have a seat here. What's the problem?

*Paul Ryefield:* — I have a terrible stomachache.

*Doctor:* — Do you have diarrhea?

*Paul Ryefield:* — Yes, I do.

*Doctor:* — Do you have any other symptoms?

*Paul Ryefield:* — Yes, I feel sick.

*Doctor:* — You mean you feel nauseous?

*Paul Ryefield:* — That's right. I feel like vomiting. And right now I feel dizzy, too.

*Doctor:* — When did the symptoms start?

*Paul Ryefield:* — This morning. Yesterday evening I ate something raw.

*Doctor:* — All right. Please take off your clothes to the waist and lie down there. ... Just tell me if it hurts when I do this.

*Paul Ryefield:* — It doesn't hurt. ... Ouch. It hurts there.

*Doctor:* — Okay. Let's hope it's just indigestion, but we'll need to run some diagnostic tests to be sure. We'll run a blood test and we'll also need a urine sample.

*Paul Ryefield:* — Can you give me something for the time being?

*Doctor:* — Yes, I'll give you a prescription for indigestion tablets.

What's matter with you?  
What's troubling you?  
What 's the problem?

I've got a bad cough.  
I feel sick.  
I've got pain in my back.  
I've got something wrong with my finger. I can't move it.

Does it hurt badly?  
Does it hurt when I press here?  
When did it start?  
How long have you had it?

Yes, a little.  
Not long, since last week.

I'd like to examine you. Take off your shirt, please

Is it serious?

Don't worry. It's nothing serious but you must stay in bed for a few days. I'll prescribe some  
Some medicine for you and the nurse will give you an injection.

It doesn't look too bad. It's just normal tonsillitis. Here's a prescription for some medicine.  
Take it 3 times daily. Come to see me next Tuesday.
