US Cities

New York City

- There are a lot of well-known cities in the USA.
- Among the major ones belongs NEW YORK CITY, the largest US city with the nickname „Big Apple“. Skyscrapers are typical for NY, the tallest building in the city is the Empire State Building from where the NY skyline can be admired.

- The Statue of Liberty is another landmark of NY. It was the first thing which millions of immigrants could see entering the New World.
- There is always a lot to see and do in NY. When you want to relax, go to Central Park or visit one of the theatres on Broadway.
- Art lovers should visit Museum of Modern Art or Guggenheim.

Washington DC

The US capital is located in the special area called District of Columbia.

The White House is the seat of the American president. The Capitol building is the place where the American Congress resides and makes the country's laws.

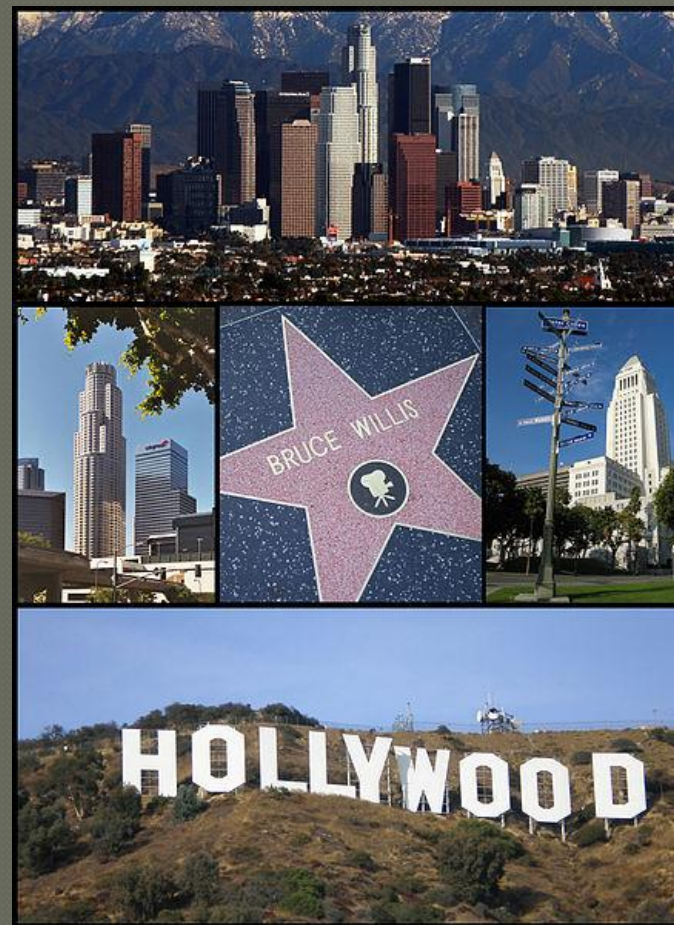

There are a lot of monuments around the city, such as Washington Monument, the Lincoln Memorial, the Vietnam War Memorial etc.

And another amazing place – the Smithsonian- which is made up of 19 different museums such as the Air and Space Museum.

Los Angeles, California

- is famous for Hollywood, the centre of American film industry. Visitors like to see Universal Studios, the Hollywood Walk of Fame, Beverly Hills and other movie-related sites.

San Francisco, California

- Its greatest landmark is the Golden Gate Bridge and Alcatraz Island with its famous prison called „the Rock“.
- San Francisco is also famous for its historic cable cars which go up and down the hills in the city.

- Other interesting place on the west coast is SEATTLE, Washington, with the famous Space Needle – observation tower built in 1960 s.
- Seattle is also home to many bands such as Nirvana and Pearl Jam.
